Taiwan travel plan. Taiwan travel guide. Taiwan travel guide covid.

Did you know that Taiwan has the highest number and density of high mountains in the world? While this island can be small in size, it has a lot to offer! From beautiful beaches to modern skyscrapers and colorful street art to delicious cuisine, Taiwan has everything. This Taiwan itinerary will guide you around the highlights of this green island that used to be called 'Ilha Formosa' (meaning 'Beautiful Island' in Portuguese). An appropriate name like Taiwan is absolutely gorgeous! Taiwan and Taiwan travel map On the map below you can find our Taiwan itinerary, at the end of the post you can download this map. Click here for the interactive map The last Taiwan 1-3 Itinerary Day: Kaohsiung Day 4-6: Kenting National ParkDay 7-9: Taipei (part I) What is the best time to visit Taiwan? Taiw great destination all year round, however, Spring (March-April) and Autumn (October-November) are the most popular times to visit. From mid-May to September, the monsoon season causes a lot of rain, especially on the East Coast. We visited in May and while we experienced some rain, the weather was good in most days. However, we adjusted our travel plans because of the weather forecast (terrible) and instead of traveling the entire length of the East Coast of Taiwan (in the rain pouring) we chose to spend more time in Taipei (where it was still sunny). During the summer (June until August) Taiwan is hot and humid with temperatures rising above 30 degrees Celsius. The winter is low season in Taiwan, although it usually does not become so cold (about 10 degrees). What currency is used in Taiwan? The official currency in Taiwan is the etnerroc a rartnocne edop añcov iuqA .)\$TN(nawiaT avoN ed rates, at the time of writing \$\frac{A}{A}\$ \hat{A}\$ 1 is approximately \$\frac{A}{A}\$ \hat{A}\$ 1 approximately \$\frac{A}{A}\$ 2 approximately \$\frac{A}{A}\$ 2 approximately \$\frac{A}{A}\$ 3 approximately \$\frac{A}{A} 100% yes! Not only because the island is beautiful but because in Taiwan I met some of the friendliest people of all my travels, and I don¢ÃÂÂt say that lightly. ¢Ã When our rescue.¢Ã One of our Airbnb hosts showed us his favorite restaurant (and insisted on paying for us no less) where we had the best beef noodle soup of our 1 month Taiwan trip.¢Ã The owner of a fruit stall kept giving us free fruit and drinks because we came back a couple of days in a row. I could go on but I think I madeà Âmy point: Taiwanese people are super nice! If friendly residents aren¢ÃÂÂt enough reason for you, let the delicious food convince you. Beef noodle soup, bubble milk tea, stinky tofu (which may not sound appealing but is really tasty) and Xiaolongbao (dumplings) are just a few of the amazing things you can eat in Taiwan. What¢ÃÂÂs more, Taiwan is very diverse, you can go hiking, visit modern buzzing cities and relax at a tropical beach. How to get around in Taiwan? Public transport is excellent in Taiwan: it¢ÃÂÂs dependable and inexpensive. There is a large network of trains, buses and MRT lines (in Kaohsiung or Tainan. In the table below I¢ÃÂAve listed all the transport information (and fares) of our 1 month Taiwan trip. In general traveling around Taiwan is very easy. The country is safe, well-organized and, as I already mentioned, the people are super friendly. Nevertheless, here are some travel tips to make your Taiwan trip even easier. Buy an EasyCard (also called iPass) You can use this pass all over Taiwan to pay for transport (MRT, bicycles, bus, train, ferry, etc.). The pass gives you a discount on the rates and saves the hassle of having to pay with your ipass in these stores and in several others). We buy a 30-day plan with 4G unlimited for only 1000nt (â ± 30)! Imagine that, we could use unlimited data on all our devices (and we have many devices) just for 1 per day. We had reception everywhere except in the east coast tunnels. You can also opt for a portable Wi-Fi device if you do not want to change your card, the price is similar and you can book an online device via Klook here. Be prepared to use Google too much, while people in Taiwan are very friendly and always willing to help, I was surprised to know that many Taiwanese do not speak English. Not at all. They will still try to help you and Google Translate makes it easy. Our Taiwan trip: facts and figures that I traveled with my husband; Our trip began in Kaohsiung and ended in Taiwan travel itinerary was 29 days in total. We travel through Taiwan by public transport (train, bus and MRT). In Kenting and Hualien National Park, we rent a scooter. In Kaohsiung, Tainan, Taichung and Taipei, we use public bicycle rental, bus and MRT systems to get around. If you want to know more about the costs of our Taiwan trip, check my budget break. I have written detailed guides for most of the places we visit in Taiwan; in these guides you can find the links to these posts in the itinerary below. In the table below, you can find the hostels/hotels/airbnb in which we stayed in Taiwan (just the ones I recommend!). As I mentioned above, unfortunately, we could not finish our Taiwan loop because the mononrant season began and the east coast was soaked. However, we had a lot of divergence during the additional time we spent on Taipei and I don't regret making that decision. Below you can find our day a day a Mother Taiwan Viagem. If you have less time to explore Taiwan, do not worry, I have you covered. In addition to this in the post, I also suggest shorter options (5, 7 and 10 days, plus 2 and 3 weeks) for your Taiwan travel itinerary. Day 1 â € "3: Kaohsing Kaohsiung is not a well -known city, at least I had never heard of him before traveling to Taiwan. Of course, this can also be just me being ignorant ... Anyway, Kaohsiung is the third largest city in Taiwan and is here that we begin our trip. Kaohsiung are: cycle the bike trail along the Love River. Valente to Kaohsiung 228 Peace Memorial Park, Zhongdou Wetlands Park, Botanical Garden and Lotus Pond. Cycle around the Lotus lagoon. Another large bicycle trail goes around Lake Lotus, in nijiQ nijiQ ratisiV. sadogaP nogarD e regiT odiroloc o rartnocne edop añcov ogal od lus This small island is only 5 minutes from the mainland ferry. here you can explore the cijin coast park, admire the views of the skylight and visit the marine museum. click here to read about more things to do in kaohsiung national park green kenting, in the south of taiwan. Curiosity: Did you know that there are 9 national parks in taiwan? kenting national park is beautiful, the beaches are primitive and the empty roads by the lush green jungle make it the perfect place for a scooter trip. Interesting places to visit in kenting are: maobitou park: a great place to admire the beautiful views of the ocean and impressive rock formations. Hengehun night market: try many typical taiwan dishes and snacks and wash them with a boba (bubble tea). kenting town: take an hour u more to explore the city, but leave plenty of time to relax on the beautiful kenting. Day 7 - 9: tainan our next destination was tainan, the oldest city of taiwan and one with a Dutch history that the most interesting tornu for us (being of holanda and everything). in 1624, you (vereenigde Oost-Indische compagnie u united east india company) built fort zeelandia in tainan and or the city as its dominant and commercial base. In addition to the Dutch fort, there are many beautiful temples in tainan. In fact, there are more Buddhist and Taoist temples in tainan than in any other city of taiwan! the main points of taiwan! the main points of taiwan History of taiwan History Museum: Another excellent place to learn about the Taiwan's story and many invaders throughout the duties (the Portuguese, the Dutch, the Chinese and the Japanese). We took advantage of the mother and went to the cinema, ate oven pizza to wood and went out in cute cafes. However, if the weather is a little better, you can find what may be the most colorful village in the world. Painted by Huang Yong-Fu in a desperate attempt to preserve his home that was about to be demolished by the government, this artist village became one of Taiwan's most famous attractions! From the famous Taiwan silly, he also known as bubble. Here you can take a bubble class and learn how to create these delicious and highly addictive mixtures. Taichung Second Market: A 100 -year -old self -This -year market. Here you can eat local dishes created from the recipes of Famalia secret delivered by generations! Click here to read about more things to do in Taichung. Day 12 - 13: Sun Moon Lake Lake Sun Moon is the largest lake in Taiwan and a very popular place to visit. Surely it is a beautiful place, unfortunately, the rain that found us in Taichung followed us to Lake Sun Moon. We are planned to do a lot of outdoor activities, such as riding a bike around the lake and climbing Mount Shuishe. Instead, we spent most of the time at Starbucks in Shuishe Village, running out whenever the rain stopped for a brief moment to take pictures of the beautiful lake. However, there are to do in Sun Moon Lake Ropeway: from Ropeway, you can also opt for a shorter section of approximately 12 kilometres. Stroll through the Sun Moon Lake Ropeway: from Ropeway, you can enjoy stunning views of the lake and forested mountains. Visit the Wenwu Temple and Ci En Pagoda: these beautiful buildings are worth a visit, both can be reached with the Round-The-Lake-Bus. Check this guide for Lake Sun Moon by a former Taiwan resident who visited Lake often. Day 14 - 19: Taipei (part I) I loved Taipei! I am not usually one for big cities for a long time, but I really enjoyed our time in Taipei. We spent 12 days there in total and we still don't run out of things to do. What I loved most about Taipei is how easy it was to stay away from the center! For example, we walk a mountain trail in the Maokong area and we don't meet anyone else. I wrote an extensive post about Taipei and the iconic Taipe Hall Memorial: a huge and impressive building. Time your visit to match the Centrality and the Perfect Rightness, the National Concert and the Nat your online ticket here) or bus. There are great hiking opportunities around the village, which is knownhigh quality tea cultivation. click here to read moreekaL nooM nuS :5 yaDekaL nuS dneps dluow I woh sihT. yrtnuoc eht fo leef dna etsat a teg nac uoy, reffo ot sah dnalsi eht gnihtyreve ees tonnac uoy elihW! yrrow tânod, nawia T ni levet ot syad 5 evah tsuj uoy fI syad 5 yrareniti nawiaT hi levet ot syad 5 evah tsuj uoy fI syad 5 yrareniti nawiaT hi levet ot syad 5 evah tsuj uoy fI syad 5 evah tsuj uoy fI syad 5 yrareniti nawiaT ni levet ot syad 5 evah tsuj uoy fI sya tseb eht saw siht the iepia T dnuora dna ni od ot erom tol a saw ereht dna pirt ruo fo redniamer eht rof syad ynnus yltsom dah ew, iepiaT nI .daetsni iepiaT ot kcab tnew tub) noitpo ralupop yrev a si tsaoc tsae s T gnilcyc(gnutia) T ot htuos eunitnoc ton did ew erofereh T .tsaoC tsaE eht no yniar yrev ydaerla saw ti ,nosaes noohpyt gnihcaorppa eht fo esuaceB) iepiaT:92-42 yaD. neilauH ni od sgniht erom tuoba daer ot ereh kcilC. neilauH fo htuos aera eht dna egroG okora T suomaf eht erolpxe ot esab a sa ytic dexaler siht desu dna neilauH ni od sgniht erom tuoba daer ot ereh kcilC. neilauH fo htuos aera eht dna egroG okora T suomaf eht erolpxe ot esab a sa ytic dexaler siht desu dna neilauH ni od sgniht erom tuoba daer ot ereh kcilC .neilauH fo htuos aera eht dna egroG okora T suomaf eht erolpxe ot esab a sa ytic dexaler siht desu dna neilauH ni od sgniht erom tuoba daer ot ereh kcilC .neilauH fo htuos aera eht dna egroG okora T suomaf eht erolpxe ot esab a sa ytic dexaler siht desu dna neilauH ni od sgniht erom tuoba daer ot ereh kcilC .neilauH fo htuos aera eht dna egroG okora T suomaf eht erolpxe ot esab a sa ytic dexaler siht desu dna neilauH ni od sgniht erom tuoba daer ot ereh kcilC .neilauH fo htuos aera eht dna egroG okora T suomaf eht erolpxe ot esab a sa ytic dexaler siht desu dna neilauH ni od sgniht erom tuoba daer ot ereh kcilC .neilauH fo htuos aera eht dna egroG okora T suomaf eht erolpxe ot esab a sa ytic dexaler siht desu dna neilauH ni od sgniht erom tuoba daer ot ereh kcilC .neilauH fo htuos aera eht dna egroG okora T suomaf eht erolpxe ot esab a sa ytic dexaler siht desu dna neilauH ni od sgniht erom tuoba daer ot ereh kcilC .neilauH fo htuos aera eht dna egroG okora T suomaf eht erolpxe ot esab a sa ytic dexaler siht erolpxe o tser eht naht detalupop ssel Âhcum sât I.elgnuj neerg dna "sniatnuom elbram "naeco eulb gninnuts a "sffilc peets era ereht !noitces llams a nees ylno evah I dna nawia T fo trap etirovaf ym saw tsaoc tsaE ehT egroG okora T eht dna neilau :32 ¢Â 02 yaD .iepiaT ni od otBack to Taipã © for a 7-day Taiwan itinerary, I would suggest the following: Day 1-2: Taipeiday 3: Take a Taipei Day trip (as I kiss, Tamsui, Wulai, Maokong or Thousand Island Lake and Chá Pinglin Fields) Day 4: Travel to Sun Moon Lakeday 5: Sun Moon Lakeday 5: Sun Moon Lake and travel to Taichungday 6: Taichungday 7: Taichungd second largest town in Taiwan, Taichung, and one of Taiwan (Taipei and Taichung), but also the two most beautiful natural views: Taroko Gorge on the east coast and Sun Moon Lake in the middle of the island.
